

## MILLERSBURG

Regular meeting of City Council at City Hall, Wednesday night. Millersburg was well represented at the Germantown Fair last week.

Miss Martha Tom Bowles has returned after a visit to relatives in Kentucky.

Miss Sue Bascom returned Thursday after a month's visit to relatives at Owensville.

G. E. Reynolds, Tom Thorn, A. S. Miller and A. J. Thaxton are spending a few days in Cincinnati.

Misses Marguerite and Edith Wood attended the Nicholas county Teachers Institute at Carlisle last week.

Mr. and Mrs. Parley Evans have taken rooms in the home of Mrs. Elizabeth Vinton, and will do light housekeeping.

Rev. F. B. Adams and Dr. C. C. Fisher will leave Wednesday for the Annual Conference of the M. E. Church, South, which convenes at Lexington.

Mr. A. M. Vaught left Sunday for his home at Indianapolis, after a protracted visit to Mr. and Mrs. T. D. Dudley, parents of Mrs. Vaught. Mrs. Vaught will remain a while longer.

Mr. W. M. Brown returned Saturday after a two-weeks' sojourn at Swango Springs. W. A. Butler and C. C. Chanslor returned after a week's sojourn from the same place yesterday.

**THE SICK**—Messrs. S. M. Allen, J. T. Judy, M. M. Bowles are somewhat improved. Mesdames Fannie Norton, Anna Darnall and Clara Shanks continue about the same. Mrs. J. H. Miller is improving slowly. Mrs. Jennie Neal is among the sick.

Misses Hazel Kerr and Nannie Clark attended the Teachers Institute at Nicholasville, Wednesday, the latter having been employed to demonstrate the teaching of reading, taking to assist her in the work Miss Louise Bormar, and Messrs. Harry Bowling and Harold Powell.

Mr. Parley Evans opened a grocery and confectionery Saturday in the room of Mrs. Sue V. Sandusky, recently occupied as a warehouse by S. T. Barlow & Co. He has a nice stock of goods, and asks the public for his share of their patronage, guaranteeing the best at the lowest prices.

The fifth Sunday Baptist meeting opened at the Baptist church Friday evening, and continued through Sunday morning. About fifty delegates were present Friday night and Saturday, most of them returning to their homes Saturday evening. A good program was rendered, though some of the speakers were unavoidably prevented from being here. Dr. Adams, President of Georgetown College, delivered an address Saturday evening, subject: "Christianity," which was one of the most able addresses ever delivered in Millersburg. We regret that the audience was not larger, as it was both a literary and a logical treat. Dr. Adams preached an able sermon Sunday at 11:00 a. m., at the Presbyterian church, the Baptist church being too small to accommodate the large audience that gathered there. This, like the lecture, was another able discourse, taking

as his subject, "The Security in Time of Danger." At the close of the morning service the fifth Sunday meeting closed. Dr. Black, who was to have discussed the B. Y. P. U. work in the afternoon, was unavoidably prevented from coming.

Mr. K. D. Burroughs, aged 71, died Thursday at 7:00 p. m., after an illness of more than a year of a complication of diseases. While Mr. Burroughs has been an invalid for a long time his condition was not thought to be critical until a few days before his death. Mr. Burroughs was a son of the late Mr. and Mrs. Alexander Burroughs, was born and raised in Nicholas county, and was one of a family of twelve children, several of whom have preceded him to the grave. Until the last seven years the greater part of his life was spent on his farm in Nicholas county, about three miles from here. Seven years ago he sold his farm and purchased the property of Mr. A. J. Campbell, in the suburbs of Millersburg, where, with his sister, Miss Nannie Burroughs, and brother, Dr. H. C. Burroughs, he has since resided. He was a life long member of the Christian church, and was a member of the church board. He was much interested in all line of church work, and was a liberal contributor. He was a man who stood high in the community and had a large circle of friends in this and other counties. He lived a bachelor his entire life, but his home was always open to his friends and relatives. He is survived by two sisters, Mrs. Ringo, of Missouri, and Miss Nannie Burroughs, of Millersburg, and one brother, Dr. H. C. Burroughs, of Millersburg, who, at the time of his death, was visiting his daughter, Mrs. James Spencer, at Springfield, Mass., but was summoned by telegram, arriving Saturday night before the funeral. The funeral was conducted Sunday at 2:00 p. m. at his late residence, by his former pastor, Elder C. O. Cossaboom, of Cincinnati, assisted by his pastor, Elder W. J. Slater. Interment on the family lot in Carlisle Cemetery. In Jan., 1916, Mr. Burroughs was elected president of the Exchange Bank, succeeding Dr. W. M. Miller, which position he held at the time of his death. He is also survived by a large number of nieces and nephews.

## WHAT WOMEN VOTERS MUST DO

When the women register they will be compelled to answer many intimate questions about themselves just as the men have been doing. They must tell, under oath:

Their residence and whether more than one family live in the same house.

Their party affiliation if they wish to vote in the primaries.

Their age.

Their nativity—place of birth.

The time they have lived in their precinct, Legislative district and State.

If they have been naturalized or were born in this country.

The date of their naturalization and the court where it took place.

And after each name is a blank space for remarks to be made by the judges whenever they see fit to do so.

## "THE WESTERNERS"

"The Westerners" is fairly alive with action, every thrill in the story being faithfully reproduced on the screen. Powerfully produced is this thrilling narrative of the pioneers who blazed the trail into the wildest section of the West—the Black Hills of Dakota in the days of the wild stampede for gold.

## BOURBON FARMING CONDITIONS

The cry with the farmers now is "More sunshine," after the many hard rains of the past two weeks. It is the general opinion that unless several days of warm sunshine are had this week the tobacco will be badly damaged and that the corn and other crops will also rot.

Tobacco growers are very much discouraged over the present conditions. Tobacco cutting is on with full speed, and the crops are rapidly being placed under shelter. It is estimated by conservative men that fully one-fourth of the crop in this county is affected by "rust" and "wilting," and will hardly be worth stripping and housing. Farmers are paying from \$4 to \$6 per day for extra men to house the crop. One man, named John Johnson, made \$18 one day last week cutting tobacco. There will be a fine crop in the county, despite the present adverse conditions.

The abundant rains have been very beneficial to the grass, there being an excellent prospect for fall grazing, together with a very promising hay crop, which insures plenty of feed for the fall and part of the winter. The best corn crop grown in the county in many years is maturing, which will largely make up the deficiency caused by the damaged tobacco crops. Fall plowing has commenced, as the season for seedling wheat and rye is at hand. A large acreage of wheat and rye will be sowed this fall. The potato crop promises well. The second crop seed is up nicely, and, with a favorable season of sunshine, will make a good yield.

Country produce is coming in abundantly and the prices are very reasonable. The rains have freshened up the gardens. All kinds of livestock is doing well. Hogs and lambs continue steady. About five hundred heavy cattle were shipped out during the week, going principally to the Eastern markets.

## REAL ESTATE TRANSACTIONS

Mitchell, Moreland & Mitchell, real estate agents, sold Saturday to J. W. Hull, a house and lot located on Kentucky avenue, in the Rose-dale Addition to Paris, for \$2,000.

J. W. Johnson, of Bourbon county, purchased Saturday of J. W. Karkick, of Clark County, a farm of twenty-four acres, located on the Mt. Sterling pike, near the city limits of Winchester, for \$17,000. Mr. Johnson and family will move to the farm about March 1. The farm is well improved, with two large dwelling and outbuildings, most of the land being in fruit.

## ATTENTION, TAX PAYERS

The time limit for listing taxes is drawing near. You will please note this and give us a call before we are compelled to attach the penalty ordered by law. We trust you will give this your immediate attention and not force us to extreme measures.

## ELECTRIC SIGNS FOR NEW YORK CHURCH.

Broadway electric signs that emphasize the merits of chewing gum, corsets, plays, cabarets and the like are soon to have an ecclesiastical rival.

The Rev. Dr. John G. Benson, pastor of the Union Methodist Episcopal church, at Forty-eighth street and Broadway, New York, announced plans for the erection of a great electric sign that will vie with all others along the "gay white way."

It is to be the largest and most brilliant electric church sign in the world and will display the announcement: "Union Church and Social Center—Always Open." Above this will be a brilliant cross and red, white and blue lamps will outline the American flag underneath.

You can't get the fellow in the road with a punctured tire to believe they change them in 27 seconds in the speedway races.

## STOCK, CROP, ETC.

Henry V. Thompson, of Winchester, sold to Bourbon and Clark county parties last week three hundred head of sheep at prices ranging from \$11 to \$12.50 a head.

John Woodruff, of Bourbon, sold to Monte Fox, of Danville, for shipment to the New York markets 650 head of fancy beef cattle, averaging about 1,450 pounds a head, for 14¢ cents a pound.

## DISCOVERS NEW STAR IN THE HEAVENS

The new star in the constellation cygnus, reported Tuesday through Harvard Observatory, was caused by a collision in the heavens between a large comet and a comparatively dim sun, according to information which Captain Thomas J. J. See, of the Naval Observatory at Mare Island, announced he had received from Prof. Charles C. Conroy, of Los Angeles.

The star forms a corner of the parallelogram of Alpha, Gamma and Delta sygni, plain, he had been advised.

At present it is of the second magnitude and the magnitude may be expected to increase for several days, but will die down in the course of a few months, he reported.

## THE KENTUCKY STATE FAIR

An Airdale, the finest in Kentucky, will be the gubernatorial watchdog. Governor Morrow received word of this in answer to his letter sent the Louisville Airdale Club, asking suggestions as to where he could get a good all-round dog, stating that he preferred an Airdale. But just any kind of "all-round dog" did not seem fitting for the Executive Mansion in the opinion of Eugene Straus, President of the Airdale Club and he thus expressed himself at the weekly meeting of the club.

Mr. Straus, in his letter, notified Governor Morrow that the finest Airdale in the State would be awaiting him at the State Fair grounds, September 16, Governor's Day at the fair.

The letter stated that every member of the club has offered a fine Airdale and to decide who should have the honor of supplying the executive watchdog, puppies from the various Airdale kennels would be displayed at the fair for Governor Morrow and Mrs. Morrow to make their selection.

For the showing of dogs this year at the fair, the Louisville Airdale Club has temporarily merged its interests with other kennel clubs forming the State Fair Kennel Club. A clubhouse which was constructed recently at the fair grounds will be open to all dog fanciers and lunches will be served during the fair. Ninety-three breeds of dogs will be shown.

The showing of dogs this year at the fair will be September 16, 17 and

18, and the Irish wolfhound is expected to be one of the most interesting dogs on the benches.
